

## TEAK TABLE TOP - 60CM DIAMETER

Outdoor teak table tops imported in a range of sizes. Teak is a beautiful hardwood that has a natural colour tone. Originally the wood of ship builders, teak is the optimal choice for commercial outdoor furniture and is extremely long-lasting. Bases sold separately. To retain their golden appearance the teak tops require regular cleaning and oil application, oils such as teak, danish and linseed are suitable. If not oiled the teak will age naturally to a silvery grey. PLEASE NOTE: if not oiled regularly, the tops will be susceptible to staining.
