

KARAKA OUTDOOR TABLE 200*10 WHITE ALUMINIUM, TEAK TOP

A stunning outdoor dining table, the Karaka will bring modern lines to your patio, deck or garden space. Fresh in white, the aluminium frame compliments a refined teak top. The Karaka dining table is a great option for restaurants and cafes with an outdoor focus, or at home for outdoor dining. To retain the golden appearance of the teak, regular cleaning and oil application is required. Oils such as teak, danish and linseed are suitable. If not oiled, the teak will age naturally to a silvery grey.
